Database sources for the TellMe toolbox

Talairach atlas label data image (Tal):

- NIfTI image: http://www.talairach.org/talairach.nii

- Region labels: http://www.talairach.org/labels.txt

Automated Anatomical Labeling (AAL):

- NIfTI image: MRIcroN, Version 6/6/2013.

- Region labels: http://doc.pmod.com/pneuro/6750.htm

Brodmann area classification (BA):

- NIfTI image: MRIcroN, Version 6/6/2013.

- Region labels: https://en.wikipedia.org/wiki/Brodmann_area

Coordinate transformations[1]:

- Brett transform: http://imaging.mrc-cbu.cam.ac.uk/imaging/MniTalairach

- Lancaster transform: http://www.brainmap.org/icbm2tal/

- Münster T2T Converter: http://wwwneuro03.uni-muenster.de/ger/t2tconv/

---

[1] Only the Brett transform is currently part of the toolbox as `mni2tal.m` and `tal2mni.m`. If you want to use other Talairach-to-MNI transformations when calling `TellMe_analysis.m`, just download them and put them into the toolbox directory.
